W. E. BAXTER.

(Mr. M'Laren.)

Ordered, by The House of Commons, to be Printed,
30 June 1873.

Note.—This Return has been prepared as nearly as possible in accordance with the terms of the Order; but it is necessary to point out that a large proportion of the total Votes for Civil Services, and of the Expenditure charged on the Consolidated Fund, cannot be distributed between Scotland and Ireland, as parts of the United Kingdom. Thus, the first part of the Return necessarily excludes the Votes for Salaries and Expenses of Ministerial Officers, for Imperial Public Buildings, and for the whole of the Diplomatic, Consular, and Colonial Services, &c.; and, the second Statement shows the Expenditure for Interest and Management of the Public Debt, for the Civil List, for Annuities to the Royal Family, and for Pensions for Naval, Military, and Political Services, &c.
